SIMPSON, CHURCH FINISHING HARD RACE FOR CONGRESS

Killoran, Democrat, Headed for Big Vote in Lake County

Congressman James Simpson, Jr., Republican incumbent, and Ralph E. Church of Evanston, are on the last lap of what appears to be another close and exciting race for the U. S. P. nomination for congress from the tenth district. Two years ago the same pair ran about even in Lake county, with Simpson winning out in a contest following the primary.

Church, who served 18 years in the state general assembly with a splendid record, is said to be making even a more thorough campaign for votes than he did two years ago. Meanwhile Simpson, by reason of his official position, has acquired support that he did not have in 1932. With strong organization backing in both Lake and Cook counties, it is believed Congressman Simpson will be renominated.

Killoran Has Chance

On the Democratic ticket five candidates seek the nomination for congress. All are conceded a chance, with Thomas C. Killoran, of Waukegan and Fox Lake, appearing as one of the best Lake county bets. Edward Nockels also is receiving strong backing in Lake County.

The other Democratic candidates, David B. Maloney, Chas. V. O'Grady and Thomas F. Dolan, have not campaigned heavily in this part of the district. Their strength is unknown.

Little Interest Created in Approach of School Elections

Little excitement has been manifested this spring as the school elections, often so hotly contested, approach. Two names have been filed with Mrs. Helen Osmond, clerk of the high school board, for election to membership on the board. Mrs. Paul Ferris has filed for re-election, and Paul Zelen, Channel Lake, has petitioned to succeed Fred Hawkins, retiring member who has served for six years.

Other members of the high school board are: George White, president; Mrs. Helen Osmond, secretary; and Clarence Crowley.

The closing date on which candidates for election might file their petitions was March 24. The election will be held Saturday, April 14, at the high school, the polls to be open from 12 noon to 6 p. m.

Mrs. Ed Bacon, Round Lake, has filed her petition with County Superintendent W. C. Petty for membership on the non high school board.

To Elect New C. S. President
Upon the refusal of S. E. Pollock, president of the grade school board for the past nine years, to file for reelection, S. Boyer Nelson, cashier of the First National Bank, has placed his name with Secretary A. M. Hawkins for president.

Mrs. Elsie Pierce has filed petition for reelection to membership on the board, and William Anderson has filed to succeed Le Strang, who is retiring after serving for nine years.

Other members of the board whose terms have not expired are: Mrs. Myrtle Klass, Mrs. Walter Selter, and Joseph Horton.
The election will be held at the grade school April 14 from 12 noon to 7 p. m.

NEW FIRE DISTRICT CREATED BY VOTERS

The creation of a new fire protection district in the rural and resort areas of the township east of the Fox river was approved by the voters of the district at a special election held at the Emmons school house March 31. The vote stood 114 for and 2 against the proposal. The new district will be designated as the "First Fire Protection District of Antioch Township."

According to Fire Chief James Stearns, three commissioners will be appointed by Judge Perry L. Persons next Saturday to oversee the district.

Increase Poor Relief Fund at Town Meeting

An appropriation of \$9,200 to cover expenses to be incurred during the coming year was made at the annual town meeting held Tuesday afternoon. Of this fund, \$5,000 has been appropriated for poor relief, an increase of \$1,000 over the 1933 levy. The remainder of the appropriation, \$4,200, was the same as that made during 1932 and 1933 for salaries, election expense and other township disbursements.

A motion was made by Justice Sam Tarbell to set aside \$350 of the poor relief fund under the provisions of the Bogardus Act, but another motion was made by Alce Hughes and seconded to table Tarbell's motion.

PRIMARIES HOLD INTEREST OF COUNTY

Democratic Gains Complicate Situation in Lake

Recent Democratic gains in Lake county have served to throw a mantle of mystery around the erstwhile quietness of Republican primary elections, and candidates just can't figure out, or even hazard a guess as to how many of the former stalwarts will desert the Grand Old Party next Tuesday and cross over to the ranks of the Democrats in order to give some Jeffersonian brother a lift.

In 1930 there were about 400 Democratic votes cast in Lake county. In 1932 over 8,000 voted Democratic. The 1934 vote to be counted next Tuesday is the mystery.

Brother, Can You Spare a Vote?
Every Republican office holder in Lake county who is a candidate for re-nomination has opposition in his own party, except W. C. Petty, county superintendent of schools.

Judge Perry L. Persons' wide and favorable acquaintance has always stood him in good stead at election time and it may repeat for him next Tuesday. However, the judge has held his office for twenty-four years, and the "new deal" idea that has been making gains all over the country may influence a sufficient number of voters to mark for Harry A. Hall and land the Waukegan lawyer a winner.

Talcott Makes Vigorous Race
Energetic and systematic procedure has characterized the campaign for Mancel Talcott, Waukegan postmaster, who seeks to wrest the Republican nomination from County Clerk Low A. Hendee, who is a candidate for reelection. Meanwhile Hendee, who is a veteran campaigner, has allowed no grass to grow under his feet. Like Judge Persons, Clerk Hendee has a wide and very favorable acquaintance in every corner of the county, which means an advantage at the outset that will prove extremely difficult to overcome.

Talcott is well known as an ex-service man and Legionnaire, and also for work in the Red Cross and other civic activities. It follows that he will receive a great vote, and a great vote it will take to defeat the veteran Hendee.

Three for Probate Judge
Judge Martin O. Decker, judge of the probate court, Charles E. Jack and John Logan Boyles are engaged.

Matt Seibert Is Elected Chairman Of Salem Township

Several Offices Are Closely Contested; Excitement Displayed

Matt Seibert was elected chairman of the Town of Salem by a close vote Tuesday, winning from his opponent, Arthur Hartnell.

Residents of Trevor and Salem displayed much interest in the outcome of the elections, and excitement mounted as the day progressed, and it became evident that in several instances a real contest was on.

Others elected Tuesday were: Supervisors, L. M. Smith and John Schlax; town clerk, John Evans; treasurer, O. V. Cook; assessor, Lee McVicker; justice of the peace, M. H. Dick; and constables, John Gover, George Higgins and A. P. Manning.

Grass Lake Resort Owner Passes Away

Charles Haling Is Buried with Masonic Rites Yesterday

Charles Haling, hotel and resort owner on Grass Lake for the past thirteen years, passed away late Sunday night at the St. Therese's Hospital, Waukegan, as a result of cerebral hemorrhage, from which he has suffered for several years.

Funeral services were conducted by the Sequoit Chapter of the Masonic Order at the Grass Lake Cemetery yesterday afternoon. The services were attended by a large crowd, Haling having made many friends and acquaintances in the course of his work at the resort, and in Chicago.

Born in Germany.
He was born near Berlin, Germany, April 6, 1877, and came to America with his parents at the age of fourteen years. Until thirteen years ago when he moved to Grass Lake, he made his home in Chicago, where he followed the plumbing trade and conducted a saloon.

He was united in marriage to Miss Margaret Heimle, Chicago, also a German emigrant, February 14, 1901.

He was a member of the Masonic Lodge, the Odd Fellows, the Eagles, and the Workmen's Sick and Death Benefit.

Surviving him are his widow; four daughters, Clara, Irene, Alice and Gertrude; one son, Charles, Antioch; two grandchildren, Anita and Charles Haling; two sisters, Mrs. Emma Petersen and Mrs. Clara O. Chicago; and one brother, Albert Haling, Chicago.

Lake Marie Girl Is Taken By Death

Eleanor Cobb, 28, Passes Away After Two Years' Illness

Miss Eleanor Cobb, Lake Marie, passed away at her home Saturday, March 31, after an illness of two years due to Hodgkin's disease. She has always lived at home with her parents at Lake Marie, where she made many friends.

She was born February 15, 1906, at Lake Marie, the daughter of Chas. and Johanna Cobb. Her education was received at the Emmons school. Since her graduation there, she has lived at home.

Surviving her are her parents; four brothers, Oliver of New York; Ed and Raymond, Waukegan; and Andrew, at home; and one sister, Mrs. Roger Miller.

Funeral services were held at Strang's Undertaking Parlor, with Rev. S. E. Pollock officiating. Interment is in the Grass Lake Cemetery.

Local Basketeers on Winning Team

Howard Mastine and Bill Keulman were awarded medals for being members of the Gurnee Brown Boosters basketball team which won a class "B" tournament held at the North school gym in Waukegan last Wednesday Thursday and Friday. Teams from Gurnee, Waukegan, Zion, and North Chicago were entered.

The final game was taken from the Waukegan National Tea, 25-18, with Mastine and Keulman making 18 of the 26 points for Gurnee.

PING PONG TEAM TIES WAUKEGAN SIX

A picked Antioch ping pong team composed of Ed Sorenson, Jack Panowski, Joe Panowski, Wilfred Jennrichs, Dick Folbrick and George Slater battled to a 6 to 6 tie with Pundt's ping pong team of Waukegan Monday night.

The local team is entered in the coming tourney at Sportsmen's Park.

Bert Dickey has announced the opening of the Dickey Studio at his home at 808 N. Main Street, Antioch. He will do portrait work and commercial photography and kodak flashing. For many years Dickey has been engaged in commercial photography and he has achieved such success that he decided to open a regular studio here.

LYONS AND CARROLL WILL GET BIG VOTE; BOLGER MAY LOSE

Fourteen Candidates for Representative Will Bring Big Vote

An analysis of the legislative derby in the eighth district, Lake, McHenry and Boone counties, indicates the re-nomination of the Republican incumbents, Representatives Richard J. Lyons, Libertyville, and Wm. M. Carroll, Woodstock lawyer, while the minority representative, Thomas Bolger, Democrat, seems in danger of losing his legislative seat.

Two years ago 83,000 votes were cast for the five Republican candidates, divided as follows: Lyons, 38,553; Carroll, 25,539; Johnson, 10,916; James, 6,229; Craft, 4,164. Thus it will be observed that Lyons received over 15,000 votes more than Carroll, his nearest rival, and the Woodstock candidate was over 12,000 ahead of Johnson. Lyons received over 46 per cent of the total Republican vote, 33,558 being in Lake county, 3,088 in McHenry county, and 1,919 in Boone.

Good Records Aid Candidates
Both Lyons and Carroll have splendid records in the general assembly, each has weighty endorsements and organization support, and because of these facts it seems improbable that either Lyons or Carroll will be defeated in the primaries next Tuesday, politicians aver.

Among the other candidates who must be conceded a chance, and extent of whose support is unknown, are Sheriff Lester T. Tiffany, Nicholas Keller, Waukegan, John F. Harris, Bernard J. Juran, and John Hugh Coyle.

Tiffany Strong With Dairymen
Tiffany's supporters claim major support for the sheriff among the farmers and dairymen throughout the district, and a big vote in Lake county where he has his own organization. Tiffany's vote may be a surprising one.

John Fay Harris, also is conceded a great vote in Lake county and throughout the district, as he has support of ex-service men everywhere he is known.

Another candidate to be reckoned with is Nicholas M. Keller, former Waukegan commissioner and widely known sportsman whose popularity along the North Shore cities and throughout the county is bound to bring him support that will prove a strong factor in the race.

Other candidates whose strength is unknown, at least in this part of the district are Bernard J. Juran, and John Hugh Coyle.

Bolger May Be Uneated
Disension in the ranks of the Democrats may bring about the defeat of Representative Thomas Bolger, of McHenry, politicians aver.

Two years ago Bolger was victorious for the Democratic nomination over Charles Stanton, Ingleside, and Harold Bergan, Winthrop Harbor, Bolger receiving 10,590 votes, Stanton 6,397, and Bergan, 3,480. Stanton was about 100 votes ahead of Bolger in Lake county.

Bolger has been criticized in Western Lake county for his alleged handling of appointees who had under their control the water level in the chain of lakes, and he also drew fire from the Lake county contingent recently when he was said to have been responsible for the decision to have only one Democrat nominated, when the Jeffersonians, still enthusiastic over their victory two years ago, believed possible the election of two Democratic representatives.

Split Vote Aid to Bolger

But even so, Bolger may be "sitting pretty" due to the opposition being divided six ways with but one or two conceded a chance of winning over the incumbent. Among these are Frank Opeka, North Chicago attorney, who is receiving major support in Lake county, the most populous unit of the district, and William Nagle, Fox Lake lumberman, whose candidacy is proving popular with chain of lakes voters. Nagle has resided in the lakes district for 33 years, and with him at Springfield, property owners vision a chance to have something done about water levels and lakes improvements. Nagle will get a large vote in this locality.

Connel McDermott, McHenry, is providing Rep. Bolger with forlorn

News Is Neutral in Local Politics

Many requests for publicity in the interest of local candidates have come to the News during the present campaign. Such publicity is not necessary for the reason that local candidates are well known to voters. It is doubtful whether the publicity would be beneficial. For these reasons the News cannot recommend any local candidate for office or state reasons why one candidate should be given preference over another.

In district and state politics, exactly the reverse is true, and as a matter of public information the newspaper is expected to carry information regarding candidates who are unknown to voters.

The News desires to be fair to all and to this end it seeks the co-operation of candidates and their friends.

KELSEY TO HEAD COUNTY BOARD

Supervisor Harold D. Kelsey of Barrington, a member of the Lake County board for six years, was elected chairman of the board at its annual election meeting Tuesday in Waukegan. He won from his opponent Assistant Supervisor Emmett McShane of Waukegan by a 25-7 vote.

Kelsey has pledged himself to administer county affairs with economy. Kelsey appointed Supervisor William J. Obee of Deerfield as chairman of the committee on committees. John D. Thomas is head of the rules committee. The board adjourned until April 24.

able opposition in his own home town, and the candidate feels confident that he will be the next Democratic representative from the eighth district.

Other candidates are S. J. Drury, Robert Nelson, and Charles F. Hayes of Harvard, who was Republican candidate for this office a few years ago.

Over 20,000 Democratic votes were cast for representative two years ago.

ANTIOCH MOURNS SUDDEN PASSING OF EDWIN RENTNER

Made Many Friends on His Route During Past 7 Years Driving

The numerous friends of Edwin Rentner in Antioch, Lake Villa, Wilmet, and vicinity were shocked and grieved to learn of his death early last Saturday morning in the Victory Memorial hospital.

Until about two years ago he enjoyed good health. Since then he had been troubled with a duodenal ulcer which at times caused him severe distress, and a tonsillar ailment. He underwent a tonsillectomy, February 3, and on March 24 underwent an operation for the ulcer.

Although the operation appeared successful, complications developed from infected throat, and the strain proved to be too much for his weakened condition.

Edwin Schmidt Rentner was born December 10, 1903, at Chicago, the son of August Rentner and his wife Minnie Schmidt Rentner. At the age of four years he came with his parents to Antioch, where they resided on a farm just east of town. After finishing the elementary school he attended the Antioch Township high school from which he was graduated with the Class of '25.

After his graduation he was employed by Scott's Dairy for three or four years, after which he entered the employ of William Roaring and the Shell Gas Co., for whom he has worked for the past seven years.

He was united in marriage with Miss Vera Nelson May 21, 1927. He was a loyal member of the Peace Lutheran Church at Wilmet, Wis., which he supported liberally.

While driving an oil truck Rentner made numerous contacts throughout the county, and a multitude of friends who will mourn his loss.

Funeral services were held Tuesday afternoon at the Methodist Church, Rev. L. Sitter officiating. The church was crowded by friends desiring to pay a last tribute to his cheerful, likable and outstanding personality. Interment is in Hillside Cemetery.

He is survived by his widow; his father, August Rentner, Lake Villa; two brothers, Henry and Elmer Rentner; one sister, Mrs. Ida Suehr, Chicago; his parents-in-law, Mr. and Mrs. Nels L. Nelson; two brothers-in-law, Edward Suehr and Lester Nelson, and other relatives.

Democrats Rally At Sorenson's Tuesday

Precinct Committeeman Einar Sorenson, candidate for reelection on the Democratic ticket Tuesday, announces a political rally to be held at Sorenson's Channel Lake Tavern Tuesday night. The party is given for members of the Antioch Democratic Club through Sorenson's influence in the central Democratic committee. Free refreshments will be served.

Recent developments throughout the county and at the state headquarters in Chicago find the staunch Democrats who endorsed President Franklin D. Roosevelt, recommending the following candidates:

Michael L. Igoe and Martin Brennan, for congress-at-large; David B. Maloney, for district representative; John P. Dougherty, for state central committeeman; Thomas A. Bolger, for state representative; and Frank Kraft, for senatorial committeeman.

Recently candidate to receive endorsements are: Philip J. McKenna, of Highland Park, for county judge; Charles Noll, of Waukegan, for probate judge; Walter Kozlowski, of North Chicago, for probate clerk; and Assistant Supervisor A. J. "Tony" Sulkus, of Waukegan, for county treasurer. Herbert D. Yager is being endorsed for sheriff according to a poll of Democratic leaders throughout the district.

Most of the candidates, it was learned, although scheduled to appear at several meetings, will meet their friends at the rally at Sorenson's.

OFFICE MAN VS. THE BURGLAR

Modern business is transacted amid pleasant surroundings. Imported rugs, period furniture, with real art work on the walls, are to be seen now-a-days in the offices of doctors, lawyers, architects, and professional men generally. These modern furnishings are worth money, and have therefore gained the sympathetic interest of the burglar.

Office men have always been able to protect their possessions by insurance, but it required several different policies which meant they were compelled to pay the higher premium rates of merchants and others who had goods for sale.

At last the office men of the country who do not deal in articles of commerce are to be protected from the burglar or hold-up man by an insurance policy which not alone safeguards their office equipment, such as typewriters, ar objects and rugs, but also covers the money and securities which come to them in the course of business, according to announcement by the National Bureau of Casualty and Surety Underwriters.

They are protected from "kidnaping," where the victim is taken back to the office and compelled to open the safe; from hold-ups of employees either in the office or in the street; from safe burglary; from burglary into the premises; and at last for damage to their property

resulting from a robbery. **THE ANTI**...cept by fire. The rates vary in the...ing territories of the United States.

TWO MILLION JOBS

How would you like to help provide the nation with two million jobs—and all the spending power that goes with them? You'd like it, of course. And the way you can do it is by repairing and building—no matter how small the amount spent or how large. In normal times construction employs well over a million men in the actual work of building. The industries providing supplies and materials supply a million more. And home-building, which has almost disappeared, accounts for 50 per cent of the entire construction industry. If you build or repair now it means that you are doing your bit toward recovery—and obtaining something valuable for much less than it will cost in the future.

THINGS ONE REMEMBERS

A man by the name of L. P. Dryden, one of a small colony of families which sponsored a back to the land movement rather than accept public charity, walked and begged rides in a 200-mile trip from the Southern Oregon Coast mountains to Portland to ask CWA headquarters for sufficient money to build a log school and pay a teacher \$50.00 a month. He felt they were entitled to that from the government. Their colony is 15 miles from a road or school. That is the type of courage and independence that built and will perpetuate Our Country. It refuses "hand-outs" from the public "pork barrel." It will fight to maintain American freedom, opportunity and independence for the individual.

There has been no answer to Colonel Lindbergh's blunt statement that airmail contractors had "the right of trial before being convicted." The basic principle of United States law is that a man is innocent until proved guilty after fair trial.

Health Program to Be Presented at P.-T. A. Meeting

Health will be the subject of discussion at the next P.-T. A. meeting to be held at the grade school Monday evening. Films will be shown stressing the importance of diphtheria immunization in the schools, followed by a discussion concerning the practicability of adopting an immunization program in the schools here. Information from the State Health department regarding the nature and need for such a program will be given.

Similar programs have been adopted by many communities throughout the state. The toxoid is provided by the State Health department free of charge.

Music will be provided by several of the upper grade boys under the direction of Hans von Holwede, followed by a report on the current Child Welfare Magazine by Miss Mary Gallger.

Parents of children who will enter first grade next year have been extended a special invitation to attend this meeting.

Farms and City Homes have become only something against which to levy taxes so that interest can be paid on tax exempt municipal bonds.

An Open Letter TO James Simpson Jr.

On March 2nd, I telegraphed you suggesting that—in justice to the voters of the Tenth District—you and I discuss publicly the issues of the present campaign. Your refusal to answer my telegram or to communicate with me while you were in Chicago last week forces me to address this open letter to you.

I have nothing to conceal from the voters and they have the right to know the answers to the following questions:

1. Why did you miss twelve out of the twenty-four roll calls to determine a quorum when measures of national importance were under discussion in the 73rd Congress up to March 23?

2. Why were you absent when the vote was taken on the bill to re-open the Great Lakes Naval Training Station—a measure in which you professed great interest?

3. What motive did you have in deceiving the 250,000 voters of this district by sending them—at United States Government expense—copies of a speech on government economy which you never delivered in Congress?

4. Why did you not abide by the verdict of the voters of this district as expressed in the official canvass and recount in the primaries of 1932?

5. Why did you not admit to the voters that your 1932 campaign and re-count were manipulated and your workers paid by the Insull machine political attorneys—two members of which firm were once indicted by a Federal Grand Jury for covering up Insull machine political contributions?

6. Why were you given the free and full time services of employees of the Insull companies during your 1932 primary and election campaign?

7. Why were 321 properly marked ballots thrown out in a single precinct by a decision directly contrary to several Supreme Court rulings, and characterized as "Indefensible" by John H. Wigmore, Dean of Northwestern University Law School and other prominent attorneys—a decision from which the archaic Illinois election law allowed no appeal?

8. How can you justify the desperate attempt of the same Insull machine lawyers to throw out the 1932 primary ballots of 5,333 citizens of Evanston, Wilmette, Kenilworth, Winnetka and Glencoe who had voted by affidavit as the law allows?

9. How much did your seat in Congress cost?

10. Who paid for it?

11. Just whom and what do you represent in Congress?

Republican Candidate for
COUNTY TREASURER

He has never held an elective or appointed office. He is not controlled by any political ring.

One of the most significant factors in his candidacy for the office of County Treasurer lies in the fact that as City Treasurer of the city of Waukegan and liable for the city's funds during the hectic days of 1931-33 not one penny of the taxpayers' money was lost in a closed bank. This we believe to be conclusive evidence that he has been Capable, Trustworthy and Dependable, and that he has exercised the utmost diligence in the conduct of yours—the taxpayers'—affairs.

LAKE VILLA LADIES'
AID TO PRESENT PLAYC. J. Hewitt, Former Pastor,
Returns for Easter
Services

"The Last Days of School" is to be presented at the Lake Villa church on Wednesday evening, April 11. Perhaps you have wondered who writes the sayings that appear on the school boy slates in front of gasoline stations. Charles Archbold, advertising man of National Roofing Co. does this and is the author of this play, proceeds of which go to the Ladies' Aid Society. There is a large class and in the Dolan class you will find Edwin Kappie as Johnny Jumpup and William Nelson as Sweet William Hyacinth. In the Zoology class you will see Ellen Philippi as Polar Bear, Mrs. Huey as White Rose and Dorothy Hooper as Daisy Snapdragon who will please you as well as others in the cast. The play is full of good humor, wise cracks, and smart sayings and jingles, so come to the church early. Admission for adults 15c, children 10c and the place is the church. A social time in the basement and lunch will follow the play and you are invited to join in the fun.

The community, and church especially, had a very pleasant surprise on Easter when C. J. Hewitt, a teacher in the Theological Seminary at Bangor, Me., was present at the Easter services. He came home for a few days vacation and his friends were glad to welcome him and have him take part in the Easter services. The church was beautified by the gift of flowers from the Peterson store, and which added much to the service.

Miss Ruth Avery was guest of honor at a bridal shower at the Eugene Sheehan home last Saturday afternoon, with Miss Louise Sheehan and Miss Ruth Cremla as hostesses. Bridge and 600 were played during the afternoon. The hostesses served delicious refreshments and the prospective bride received many beautiful gifts as mementoes of a very happy occasion.

Details on the wedding of Miss Ruth Avery and Eugene Sheehan will be found on the society page.

EDWARD A. BROWN'S record in public office is one of genuine service to the public.

Mr. Brown has not made any political promises to any candidate or candidates nor to any one aspiring to appointment as deputy, nor does he know at this time whom he will appoint if elected to any position under his control. Employees will be chosen on the basis of merit only.

Mr. Brown is not controlled nor dictated to by any person or persons who have their own personal gain at interest nor with those persons who are engaged in any unlawful enterprises.

For an honest, efficient, clean, uncontrolled administration vote for EDWARD A. BROWN for Sheriff.

If and when Mr. Brown is elected Sheriff he will choose a staff of fearless and efficient deputies capable of enforcing the law in Lake County after consulting with civic leaders and those interested in fearless enforcement of the law.

Mr. Brown's opposition to unnecessary costs and to waste in the expenditures of county money has earned him the bitter opposition and hatred of politician-publishers and others seeking to make an immense profit at the expense of the taxpayer. The opposition of the SELFISH "Ring" to Mr. Brown should win him the support of every conscientious citizen.

whose motto is and always will be

"Do What Is Right — and Right What Is Wrong"

WHY It Is Time for a Change in the County Clerk's Office:--

WE BELIEVE THAT

—in a county of over 100,000 population—positions should be passed around to younger, competent persons—after being in one family for 41 years.

It Is Time for a Change

—after a county clerk has held office for so many years he should not be so selfish as to expect a life job at the expense of the taxpayers

It Is Time for a Change

—an itemized statement of all receipts and all expenditures of the County Clerk's office should be published for public information of all taxpayers as required by law

It Is Time for a Change

—a small group of politicians headed by the County Clerk should not dictate the affairs of

the county and jeopardize the future of the Republican party

It Is Time for a Change

—the County Clerk, especially in these days of unemployment—should give first consideration to competent employees whose husbands and other relatives are not regularly employed, and also not increase your taxes by adding extra help just before election—obligating them to support him for election at your expense

It Is Time for a Change

—the disgrace that has come to Lake County through the marriage license scandal should be eliminated before it is broadcast to the Nation at the National Convention of Women's Clubs next month

It Is Time for a Change

Talcott's reputation as a good citizen, capable and efficient public servant is sufficient proof that the above irregularities will be corrected.

LYONS IS AUTHOR OF CONSTRUCTIVE STATE LEGISLATION

Rep. Richard J. Lyons of Lake County is finishing his third term in the House of Representatives where he made a brilliant record, and is considered one of the outstanding leaders in that body. He is recognized as a very forceful speaker and never lets an opportunity pass where he can best serve his district. During the session that began in January, 1933, and lasted until July of that year, he was constant in attendance. He has attended all three special sessions and has not been absent one week during the entire time.

Lyons was a bitter foe of the sales tax and the bond issue plans as well as the so-called "Chicago Liquor Control" act which, as he says, "puts the rights of every community of Illinois into the hands of three men at Springfield and takes away the local home rule principle of each community determining for itself how the sale should be handled."

Friend of Stratton.

Rep. Lyons is one of the best known members of the Illinois house. He is in demand all over the state of Illinois at meetings and has been in most of the downstate counties on behalf of the candidacy of Lake County's favorite son, the Hon. William J. Stratton, who is a candidate for State Treasurer.

The Legislative Voters League says that Lyons has a good record as usual—the report in full states: "Is finishing his third term in which he was alert and active, as usual; he introduced a bill for congressional apportionment, to which he had given much study; also a highly desirable bill, which was passed by the house, to prohibit municipalities from employing lobbyists to push legislation affecting them; his record was GOOD." Lyons states that the lobbying bill was directed at those large cities that employ special counsel with tax money to push cer-

tain bills that generally mean more taxes for the taxpayers, and the lobbyists being paid with tax money.

Created Identification System.

Rep. Lyons was the creator of the State Bureau of Criminal Identification and Investigation which is considered by all police as well as the Department of Justice at Washington as being the best forward step in crime prevention in many years. He was also the author of the bill that put the state police telegraph system in effect.

The Illinois Agricultural Association endorsed Rep. Lyons for his 100 per cent record in supporting the farmers. He fought the domination of this district by Chicago politicians and ward heelers.

Rep. Lyons resides in Libertyville. He served on the village board of Mundelein until he went to the Legislature. He was president of the Libertyville-Mundelein Chamber of Commerce for two terms; president of the Libertyville-Mundelein Real Estate Board two terms, and was elected secretary of the Illinois State Association of Realtors two terms. He is married and has two children, Lucille Mae, 16 years old, who at-

tends the Libertyville high school, and Richard Earl, 10 years old, who attends the Libertyville grade school. Mrs. Lyons was Blanche Mitchell of Prairie View, Illinois.

Former Sheriff's Work Approved By the Man Who Now Opposes Him

During the four years in which Lawrence A. Doolittle served Lake County as Sheriff, the man who now opposes him, served as a member of the supervisors' committee that examined into the conduct of the Sheriff's office, and the management of the county jail.

Edward A. Brown, then as now, supervisor of Avon Township, after careful examination of Sheriff Doolittle's office to which he had been overwhelmingly elected, reported back to the supervisors, and to the public, that everything was being carried on legally, efficiently and economically.

Such approval is a matter of public record. Time, changed political alignments and aspirations of those who placed it there, cannot blot it out from the pages on which it is written.

Stands For Fair Play and Service

We, who are supporting Lawrence A. Doolittle, belong to the good citizenship, taxpaying class. We are not politicians in the sense that we expect financial pay, favors or appointment to some job. Our aim is to replace in the sheriff's office, a man who has been tried and most generously praised by the county board of supervisors, the press, many organizations and thousands of individuals in our community.

We recommend him to those who desire the highest type of public servant.

Real Humanitarian Interest Shown

During Sheriff Doolittle's term of office—December 1926 to December 1930—he was instrumental in having twenty-six boys—first offenders arraigned in court—released on probation. He personally undertook to look after most of them. So great was his influence over these unfortunate youngsters that, with very few exceptions they developed into fine men, and useful citizens.

The mothers of Lake county are strong for Doolittle's return to the sheriff's office. They know of, and remember with gratefulness his good work with erring youth.

We desire the man who turns from his daily struggle with the hardened criminal class to lay his hand upon the shoulder of a wayward boy, to guide him back to the path of right living.

And, that's one reason we are so insistent that you join the great throng that will

VOTERS OF LAKE COUNTY!

RENOMINATE Martin C. Decker

FOR Probate Judge

BECAUSE:

He has been uniformly fair and courteous in his treatment of both lawyers and litigants who have appeared before him—no lawyer has ever asked for a change of venue from him to any other judge.

HE HAS SHOWN THIS SAME SPIRIT OF FAIRNESS AND COURTESY THROUGHOUT HIS CAMPAIGN FOR RENOMINATION — BOTH IN HIS NEWSPAPER PUBLICITY AND IN HIS CONTACT WITH THE VOTERS.

He has submitted his candidacy on the strength of his OWN experience and qualifications and has not chosen to detract from the qualifications of his opponents.

HE HAS THROUGHOUT HIS CAMPAIGN ATTENDED TO THE DUTIES OF HIS OFFICE WITH THE SAME DILIGENCE AND EFFICIENCY WHICH HE HAS ALWAYS SHOWN.

The PROBATE Lawyers of Lake County, regardless of political affiliations, are practically unanimous in their expressions of satisfaction with Judge Decker's service as Probate Judge.

WHAT BETTER PROOF COULD THE VOTERS OF LAKE COUNTY ASK AS TO HIS ABILITY, EFFICIENCY AND INTEGRITY?

HAS PLAN TO REDUCE TAX BURDEN OF
FARMER AND SMALL PROPERTY OWNER

Comparison of the Official Public Records Of the Two Republican Candidates for Congress in the 10th Congressional District

Congressman James Simpson, Jr.

Farmer and Stockbreeder

At Wadsworth, Lake County

Congressman Simpson has consistently supported and voted for all measures for relief recommended by President Roosevelt.

He has voted for all measures to decrease the tax burdens where relief was not involved.

He has fought all legislation that had for its purpose the encroachment upon the rights and liberties of the people.

He stands for representative and constitutional government and against the encroachment of bureaucracy.

He is conducting his campaign for renomination by discussing the political issues involved without abuse or malicious attacks upon his opponent's character.

He has the courage to vote against currency inflation and the issuance of printing press money as contemplated in the bonus bill which ultimately would have been detrimental to the interests of those it proposed to help. He has consistently voted for all measures to benefit the disabled and Spanish American War Veterans, as sponsored by their various organizations.

Since his election has maintained and will continue to maintain a permanent office in the district at 1791 Howard Avenue in Chicago and has also had a representative in Lake County at a central meeting point, one day a week, all for the convenience of his constituents.

Congressman James Simpson, Jr.

Ralph E. Church Who is Opposing Congressman Simpson

Mr. Church appeals for support, not on his own merits, but, first, because the business of the present Congressman's father has to do with public utilities; second, on the fraudulent statement that the nomination was taken from him two years ago in spite of the fact that his supporters were the ones who violated the election laws of the state and the Supreme Court of the State of Illinois properly rejected his claims and refused him permission to file a petition for mandamus against the State Canvassing Board which had officially declared Congressman Simpson the nominee.

He has betrayed the people by voting against the repeal of the search and seizure law after the voters of the state by referendum had instructed their representatives for repeal.

Mr. Church tells liberals that he is "wet" and will vote "wet." He tells "drys" that he is "dry" and will vote "dry." No one can tell which ones he will betray.

He tells working people that he will befriend the laboring man but when he has a vote on labor legislation he consistently votes against them, as attested to by the Illinois State Federation of Labor and the Joint Labor Legislative Board which has officially, repeatedly condemned Mr. Church's record as follows: "Ralph E. Church, Attorney, has consistently opposed all labor measures."

In other words, it is impossible to tell from what Mr. Church says, as to where he stands or what action he will take on important or controversial questions. That is why he never discusses Congressman Simpson's public record but continually injects something irrelevant and which has no bearing upon the issues of the campaign or the public duties of a Member of Congress.

PRIMARY ELECTION, Tuesday, April 10, 1934

SERVED With the U. S. Marines during the World War.
SERVED One Term as Treasurer of the City of North Chicago.
SERVED as Assistant State's Attorney of Lake County.

"NEVER BEFORE"

IN THE HISTORY OF ILLINOIS HAS THERE BEEN GREATER NEED FOR INDEPENDENT, HONEST, COURAGEOUS, AND HONORABLE MEN IN THE STATE LEGISLATURE.

MEN WHO VOTE INDEPENDENTLY REGARDLESS OF POLITICAL PRESSURE, WHO REPRESENT "THEIR DISTRICT" AND NOT SOME POWERFUL POLITICAL GROUP.

IT TAKES SEVERAL TERMS FOR THE MOST INTELLIGENT TO GRASP THE FUNDAMENTALS OF LEGISLATIVE PROCEEDURE. OUR DISTRICT IS FORTUNATE IN HAVING A YOUNG MAN REGARDED ALL OVER THE STATE AS ONE OF THE REAL LEADERS IN THE HOUSE OF REPRESENTATIVES. HE HAS ARRIVED; AND NOW CAN NOW BE OF GREATER SERVICE TO THIS GREAT DISTRICT.

RE-ELECT

RICHARD J.

LYONS

REPUBLICAN CANDIDATE FOR

REPRESENTATIVE
IN THE GENERAL ASSEMBLY

This is what the Legislative Voters League says of Rep. Lyons:

Eighth District
Counties of Boone, Lake and McHenry.

Richard J. Lyons, representative (Rep.), Mundelein, Ill., finishing his third term, in which he was alert and active, as usual; he introduced a bill for Congressional reapportionment, to which he had given much study; also a highly desirable bill, which was passed by the House, to prohibit municipalities from employing lobbyists to push legislation affecting them; his record was good.

Endorsed by the
Illinois Agricultural
Assn. — Rep. Lyons
supported the farm
program 100 per cent.
— Mr. Farmer, ask
your farm bureau ad-
visor.

MR. MERCHANT—Remember he vigorously opposed and voted against the sales tax that is driving business into Wisconsin and out of our district.

MR. FARMER AND HOME OWNER—Don't forget he opposed and voted against every tax increase—even the bond issue bills—while at the same time submitted a series of six bills to take care of our unfortunate unemployed from the present taxes the state receives, instead of adding additional taxes upon the overburdened taxpayer and the unemployed.

MR. LABORING MAN—Don't forget he supported sound legislation to better your working conditions.

MR. INDUSTRIALIST—Don't forget he opposed certain vicious legislation that would cripple Illinois industry and create more unemployment.

MR. AVERAGE CITIZEN: You who are interested in good government —

Don't forget—he opposed the Chicago city hall machine which fostered the so-called "Liquor Control Act" — and voted against it. Because it deprived every community in this district the right to determine for itself how taverns should operate — He opposed this bill that puts into the hands of a few men at Springfield the power to say how and when you should drink your beer.

HE CREATED THE STATE BUREAU OF CRIMINAL INVESTIGATION NOW IN OPERATION, AND CONSIDERED ONE OF THE GREATEST FORWARD STEPS IN CRIME PREVENTION IN THE HISTORY OF ILLINOIS.

PRIMARIES---

Continued From Page 1

In a three-man race for the Republican probate judge nomination. The incumbent has held the office since it was created in 1922, and the "new dealists" may give one or the other of his opponents a winning vote. The judge, and his rival, Attorney Jack, have slapped at each other regarding the conduct of the office, while Boyles has remained out of the fray and contested a sagacious and quiet, but very intensive campaign. Jack has been a runner-up for office previous to this campaign, and Boyles also is a seasoned campaigner, having once been elected judge in Olney county, Illinois.

This is anybody's fight, and any one of the three may be returned a winner, according to reports heard in various sections of Lake county.

Three for Probate Clerk

Another close race that is not "in the bag" for any candidate is the three-man contest for clerk of the probate court, with John R. Bullock, Republican incumbent, John E. Froelich, and Edward Holmberg as the candidates.

Clerk Bullock comes before the voters for the fourth time with a flawless record in the conduct of his office which, like Judge Decker, he has held since it was created in 1922. Year after year he has added to his list of acquaintances, which facts make him a formidable candidate to retain his post.

Both Froelich and Holmberg are prosecuting business-like campaigns and report results satisfactory to them thus far in the campaign. Here again, in this race it is efficiency in office and wide acquaintance versus the "new deal" idea. Only Tuesday's vote will reveal the real trend of the times in this respect.

New "Timber" in Campaign

No incumbent seeks, or can seek under the law, re-election to the office of treasurer or sheriff, hence new candidates seek these offices.

Three candidates seek to succeed County Treasurer Jay B. Morse. They are: Allen J. Nelson, present deputy treasurer, Edwin Burgess, Lake Forest business man, and John J. Hogan, former treasurer of the City of Waukegan.

One of the hardest fought battles in the county is being staged between Edward A. Brown, Round Lake supervisor and Lawrence A. Doolittle, former Lake County sheriff from 1926 to 1930, for the Republican nomination to succeed Lester T. Tiffany.

County Superintendent of Schools

W. C. Pelly is unopposed for the Republican nomination.

Full Democratic Ticket.

Encouraged by the remarkable gains as shown in the 1932 general election, Lake county Democrats have candidates for every county office. Only one is unopposed—Hugs Alford, popular Waukegan township assessor, who is the sole candidate for the Democratic nomination for county clerk.

Heading the county ticket are candidates for county judge are Phillip J. McKenna; and A. C. McHenry, Waukegan attorney, who two years ago made the race for state's attorney. It is believed that McHenry has the best chance of winning the Democratic nomination.

Not Opposes Thomas

Two candidates appear on the Democratic ballot for probate judge. They are Ray E. Thomas, former assistant state's attorney, and Charles Noll, Waukegan attorney. Noll has made several campaigns for office, including the race a few years for representative on the Republican ticket, mayor of Waukegan on a non-partisan ticket, and state's attorney on the Democratic ticket two years ago.

Thomas has backing among Legionnaires and other organizations of the county which indicate that he has an excellent chance to win the nomination.

The two Democratic entrants for clerk of the probate court are Walter L. Kozlowski and John J. Rink.

Four Democrats for Treasurer.

Four Democrats seek the nomination for treasurer. They are Joseph Joslin, Jr., Fox Lake; A. J. Sutkus, Waukegan assistant supervisor; Peter J. Duffy, and Daniel L. Cobb, Highland Park. Cobb was secretary to President Wilson during the Paris peace conference, a fact indicating that he is a full-fledged son of Democracy. Cobb is well qualified for the office he seeks and he has an excellent chance of winning.

Six Entrants for Sheriff

Among the six entrants for sheriff a lively contest is being waged for the Democratic nomination. Herbert E. Yager, who received 13,000 votes in the November election four years ago, is looked upon as a real contender for the nomination. Bert Tyrell, Waukegan police sergeant, also is good timber for the sheriff's job, according to his supporters.

Other Democratic entrants are James Lennon, Nelson Gonyo, William I. Woodin, farmers' candidate from Mundelein, and Al Dixon. Frank DeVoe, North Chicago, is unopposed for the Democratic nomination for county superintendent of schools.

Dr. Deering Installs \$20,000 X-Ray Machine

Dr. David N. Deering announces the installing of a complete fluoroscopic and X-ray machine which he expects to have ready to operate the first of next week.

The equipment, which has had little wear, was secured from a retiring Chicago doctor for a consideration of about \$2,000. Now, it would be valued at over \$3,000. It was installed by the H. F. Fisher Co., Chicago.

The machine is as complete as those used in hospitals as far as fluoroscopic work and X-rays are concerned, with the exception of performing deep therapy investigation. It is equipped to take two stereoscopic pictures by means of lead slides, the value of the two pictures revealing changes after movement and the elapse of a few seconds proving much greater than that of one.

Under the fluoroscope the exact location of a patient's organs, movements, or unusual disturbances may be observed while the surgeon is operating. The machine has the power of taking X-rays of the chest, stomach, intestines, or any part of the body. Dental X-rays may also be taken.

A wonderful selection of wall paper, very moderately priced, 4c per single roll and up. Come in; we are glad to show our stock. Reeves' Drug Store. (34c)

John Logan BOYLES

Republican Candidate for

Probate Judge

Primary April 10, 1934

There is a persistent rumor that Judge Boyles is not sincerely seeking the nomination for PROBATE JUDGE, but is campaigning in an effort to assist one of his opponents by splitting the vote of the other.

THIS IS NOT TRUE!

Each of his opponents knows it is not true. JUDGE BOYLES IS IN THIS CAMPAIGN TO WIN, if it can be done without resorting to tactics unbecoming a candidate for a JUDICIAL office.

He will not circulate, nor cause to be circulated, anything detrimental to either of his opponents, both of whom are good lawyers and estimable citizens.

HE DOES DESIRE YOUR VOTE.

He wants it to be based upon his qualifications for the office, age, experience, capability and judicial temperament.

VOTE FOR JOHN LOGAN BOYLES
